MILITARY TRAINING AND EXPERIENCE EVALUATIONS

PROGRAM OVERVIEW:

The Department of Defense (DoD) Voluntary Education (VoEd) Program, through the Defense Activity for Non-Traditional Education Support (DANTES), partners with the American Council on Education (ACE) to translate military learning experiences into comparable civilian postsecondary college credit. ACE evaluates military training, education, and job experience to provide recommended credits on the Joint Services Transcript (JST).

BENEFITS TO SERVICE MEMBERS:

-  **Provides a head start:** Members begin college with credit from their military experience
-  **Save time:** Fewer courses needed to complete degree requirements
-  **Avoids costs:** Fewer required courses equals lower expenses for tuition, books, and fees
-  **Helps prepare:** Possible waived prerequisites for advanced courses
-  **Presents school options:** More than 2,300 colleges and universities accept ACE credit recommendations on the JST

PROGRAM ELIGIBILITY:

All enlisted, officers and warrant officers, both active and veterans, from all Army components, Marine Corps, Navy and Coast Guard are eligible. Air Force personnel should contact CCAF to receive transcripts at www.au.af.mil/au/ccaf/transcripts.asp

Air Force personnel who attended joint training offered by another service should email JST Operations (jst@doded.mil) to have a JST built.
