RI - Rhode Island (RI) is a "local control" state, meaning that all hiring of teachers and other personnel is done on the local level by one of our 36 school districts. Because of this, the RI Department of Education has no complete list of job openings for educational positions in the state. However, the RI Education Exchange (http://www.ncpe.uri.edu/Edresources.asp) has a detailed list of district and school websites that contact information and employment information specific to that district.
