# 1.0 Transcripts

---

## Transcripts

A transcript is an official score report for DANTES funded exams. Service members should request copies of score reports at the time of testing, and always designate an institution to receive a free official score report. Most scores can be reviewed online at the testing agencies website, within 2-4 weeks after test administration. Requesting scores and transcripts may be different for each of the DANTES-funded exams.

## 1.1 Examination Program Transcript Information

## 2.1 Earn College Credit Guide

College credit examinations are widely accepted by colleges and universities. By passing these examinations, you may earn one-third or more of the credits required for a college degree. These examinations are available in more than 70 subject areas and are similar to end-of-course tests offered by colleges and universities.

### Credit-by-Exams

Credit-by-Exams, such as the CLEP and DSSTs, allow students to earn college credit by testing knowledge gained through military classes, technical assignments or through personal reading, travel, and intellectual curiosity, without attending class.

### Who Can Take a Credit-by-Exam?

The commercially-owned CLEP and DSST exams are available for a fee at participating colleges and universities.

Service members and military-affiliated civilians should refer to *DANTES Funding Eligibility Requirements* to learn if they are eligible for DANTES-funded CLEP and DSST testing.

Civilian examinees not affiliated with the military or are ineligible for DANTES-funded testing should visit the respective national testing agencies websites.

- The College Board/CLEP [www.clep.collegeboard.org](http://www.clep.collegeboard.org)
- Prometric/DSST [www.getcollegetcredit.com](http://www.getcollegetcredit.com)

### Credit Awarding Institutions

Colleges and universities individually determine what American Council on Education (ACE) recommended credit may be awarded for these exams, in lieu of traditional course requirements for their degree programs.

Prior to testing, examinees are responsible for verifying their institution's credit awarding policy and minimum passing score requirements.

## Study Guides and Support Materials

Visit the individual CLEP and DSST program websites for exam information and test prep materials.

Service members should visit their military education center or installation library for information regarding free and low-cost test preparation alternatives. Other resources may be available through local, used college textbook stores.

Prospective examinees should be aware of test prep scams. Before investing in any prep service, the respective national testing agencies which own the CLEP and DSSTs do not endorse materials not identified on their websites, nor are they responsible for score results when materials are purchased from unaffiliated, third-party resources.

## 2.2 College Admission Guide

### College Admission

Many colleges require that students submit test results as part of the admission application process. Both the ACT and SAT are standardized tests that help colleges evaluate candidates. Some schools accept either test interchangeably, however, Service members should check with their education counselor prior to testing. As you begin to think about college and creating the best application package possible, your admissions plan should begin with the question, “Which test should I take?”

### College Admission Exams

Service members applying for college admission, an officer ascension program, military-sponsored academy or professional program may require a current ACT or SAT score to include with their application packet.

Refer to individual programs for application information.

### Who Can Take a College Admission Exam?

The ACT and SAT exams are available to eligible Service members on a DANTES-funded basis when taken at a DANTES Test Site.

- Refer to *DANTES Funding Eligibility Requirements* in this guide to learn if you are eligible for funding.
- DANTES does not fund or reimburse ACTs or SATs taken at National Test Centers.
- The optional ACT Plus Writing Test is not funded or reimbursed by DANTES and not available at DANTES Test Sites.

Civilians and military dependents are not eligible for DANTES-funded ACTs and SATs, may not test at a CONUS DANTES Test Site and may not routinely test at an overseas DANTES Test Site. Military-affiliated, overseas civilian personnel must contact a DANTES Test Site for exception to test.

### DANTES Test Sites

If the education office on your military installation does not support a DANTES Test Site, email DANTES at [exams@navy.mil](mailto:exams@navy.mil) for assistance.

## 2.2.1 ACT College Admission Guide

### Funding Eligibility

Service members are authorized (one) DANTES-funded administration at a DANTES Test Site, of either the ACT (or SAT) for a Service or education requirement. For exceptions, contact a DANTES Test Site. Review the *DANTES Funding Eligibility Requirements* in this guide.

DANTES does not fund or reimburse ACTs taken at National Test Centers.

### DANTES Test Sites

Contact your local DANTES Test Site to schedule an ACT administration. Do not register for an administration on the ACT website when planning to test at a DANTES Test Site. If the education office on your military installation does not support a DANTES Test Site, email DANTES at [exams@navy.mil](mailto:exams@navy.mil) for assistance.

The ACT is not administered onboard U.S. military ships.

### Retest Policy

Service members seeking an authorized funded or unfunded (self-pay) retest must wait at least 60 complete days from the last ACT administration at a DANTES Test Site. Retesting within less than 60 complete days will result in an invalid score.

An examinee may not have more than 12 ACT administrations per lifetime.

Authorization for a funded retest is **not** based on the score of a previously funded ACT (or SAT). A funded retest is only authorized when a “current” ACT score is required by a Service or education regulation which varies with individual programs.

For example:

**Officer ascension programs:** STA-21, MECP and AECP define a “current” score as not older than 3 years.

Members with a DANTES-funded ACT score less than 3 years old are not eligible for a funded ACT (or SAT) retest.

Unfunded retesting is authorized on a (self-pay basis) for any other reason (e.g., to improve scores of a “current,” previously funded or unfunded administration).

To test or retest at a National Test Center, visit ACT's website. Civilian testing and retesting policies apply.

## Scoring and Reporting

Scores for ACTs administered at a DANTES Test Site are reported approximately 2-4 weeks after receipt of the answer folders at ACT.

DANTES does not fund or reimburse SATs taken at National Test Centers.

### DANTES Test Sites

Contact your local DANTES Test Site to schedule an SAT administration. Do not register for an administration on the SAT website when planning to test at a DANTES Test Site. If the education office on your military installation does not support a DANTES Test Site, email DANTES at [exams@navy.mil](mailto:exams@navy.mil) for assistance.

The SAT is not administered onboard U.S. military ships.

### Retest Policy

Service members seeking an authorized funded or unfunded (self-pay) retest cannot retest within the same calendar month or on the same form within the testing year as this will result in an invalid score.

Only two SAT test forms are available to DANTES Test Sites each testing year. Examinees wishing to test more than twice in any one year must do so at a civilian test center, on a self-funded basis.

Authorization for a funded retest is **not** based on the score of a previously funded SAT (or ACT). A funded retest is only authorized when a “current” SAT score is required by a Service or education regulation, which varies with individual programs.

For example:

- **Officer ascension programs:** STA-21, MECP and AECP define a “current” score as not older than 3 years.
- Members with a DANTES-funded SAT score less than 3 years old are not eligible for a funded SAT (or ACT) retest.

- **The Physician's Assistance Program:** defines a “current” score as not older than 1 year. Members with a DANTES-funded SAT score less than 1 year old are not eligible for a funded retest.

Unfunded retesting is authorized on a (self-pay basis) for any other reason (e.g., to improve scores of a “current,” previously funded or unfunded administration).

To test or retest at a National Test Center, visit SAT’s website. Civilian testing and retest policies apply.

## Scoring and Reporting

Scores for SATs administered at a DANTES Test Site are mailed to the address provided at the time of testing, about eight (8) weeks after receipt of the answer sheet at SAT. SAT does not offer expedited scoring.

Scores are available online to Service members who create an online account at [www.collegeboard.org/mysat](http://www.collegeboard.org/mysat). The DANTES registration number is required and may be retrieved from the mailed paper score report or by calling Customer Service toll-free at 866-756-7346 (or International 212-713-7789) about 5 weeks after testing and providing your social security number.
