

American Board for Certification of Teacher Excellence (ABCTE)

The American Board for Certification of Teacher Excellence (ABCTE) administers their exams with computer-based delivery. The ABCTE web site is <http://www.abcte.org/>.

Authorized DANTES/Pearson VUE test sites may administer the American Board for Certification of Teacher Excellence (ABCTE) exams. Available sites may be viewed at: <http://www.pearsontesting.com>. ABCTE Passport to Teaching certification requires candidates to pass the exams that measure their subject area and professional teaching knowledge. For descriptions of preparation resources, please refer to: <http://www.abcte.org/teach/exam-preparation/>.
