

# The American Congress on Surveying and Mapping (ACSM)

The American Congress on Surveying and Mapping (ACSM) administers their exam with either paper format or computer-based delivery. The ACSM web site is <http://www.acsm.net/>.

DANTES TCOs may administer the Certified Survey Technician (CST) exam in paper format. Certification as a survey technician is recognition that a person has demonstrated that he or she is minimally competent to perform surveying tasks at a specified technical level. Certification provides the individual with a sense of achievement, since it reflects advancement in the field of surveying.

There are 3 levels to the Certified Survey Technician (CST) exam:

- Level I = 200 questions                      (4 hours to complete)
- Level II = 180 questions                   (6 hours to complete)
- Level III = 150 questions                 (6 hours to complete)
