

The American Institute of Constructors (AIC)

The American Institute of Constructors (AIC) administers their exams with a paper format. The AIC web site is <http://www.aicnet.org/>.

DANTES TCOs may administer the American Institute of Constructors (AIC) exams. The Certified Professional Constructor process provides the Constructor with formal recognition of the education and experience that defines the Constructor as a Professional. The certification process is peer developed and is intended to set high standards for skills, knowledge, education and conduct for the Certified Constructor.
