

American Speech-Language-Hearing Association

(ASHA)

The American Speech-Language-Hearing Association (ASHA) administers their exams with a paper format. The ASHA web site is <http://www.asha.org/>

Only DANTEs TCOs overseas may administer the American Speech-Language-Hearing Association (ASHA) exams. ASHA exams are not available for DANTEs TCOs in CONUS. The examinations focus on three major areas: (a) evaluation, (b) management, and (c) administration. The examination has approximately 150 objective multiple-choice questions, and the applicant has approximately 2 hours to complete the examination. PRAXIS® Educational Testing Service (ETS) administers the ASHA exam. The examinations are administered at over 400 test centers throughout the nation. Please refer to: <http://www.ets.org/praxis>.
