

Certified Wireless Network Professional Program (CWNP)

Certified Wireless Network Professional Program (CWNP) administers their exams with computer-based delivery. The CWNP web site is <http://www.cwnp.com/>.

Authorized DANTES/Pearson VUE test sites may administer the Certified Wireless Network Professional Program (CWNP) exams. Available test sites may be viewed at www.pearsonvue.com/military/register. Examinations are available at Pearson VUE test centers globally and may be viewed at www.pearsonvue.com/cwnp. CWNP is a creator and provider of IT training, courseware, and certification exams for wireless networking technologies in the computer industry. CWNP currently offers five certifications to individuals in the IT industry. These certifications validate broad-based, vendor-neutral skills in wireless technologies. The following certificates are offered by the CWNP Program:

<u>Type of Certification</u>	<u>Exam Date</u>	<u>Registration Date</u>	<u>Fees</u>	<u>DEPH Chapter</u>
Certified Wireless Technology Specialist (CWST)	Test on demand	No specific	\$175	http://www.dantes.doded.mil/Dantes_web/library/docs/deph/part3/CWNP.pdf
