

# Cisco Systems, Inc. (CISCO)

Cisco Systems Incorporated (CISCO) administers their exams with computer-based delivery. The CISCO web site is <http://www.cisco.com/>.

Authorized DANTES/Pearson VUE test sites may administer the computer-based CISCO exams. CISCO's credentialing examinations are administered year round at one of over 230 Pearson Professional Centers (PPC). Available sites may be viewed by logging onto [www.pearsonvue.com](http://www.pearsonvue.com). CISCO offers four levels of general IT certification: Entry, Associate, Professional, and Expert (CCIE representing the highest level of achievement). Various tracks—such as Routing and Switching, Network Security, and Service Provider—are available, so that you can match your certification path to your job role or industry. To prepare and learn more about IT certifications and technology tracks, visit the home of Cisco Career Certifications, the [Cisco Learning Network](#).
