

# International Computer Driving License-United States (ICDL-US)

The International Computer Driving License-United States (ICDL-US) administers their exam with computer-based delivery. The ICDL-US web site is <http://www.icdlus.com/>.

DANTES TCOs may administer the ICDL exams. ICDL Certification can be achieved at two levels. The ICDL certification program focuses on a candidate's knowledge of basic computer skills in [seven key areas](#) that are necessary for success in today's digital world: Basic Concepts of IT, File Management, Word Processing, Spreadsheets, Database, Presentations, Communication and Information. Full ICDL Certification is awarded upon successful passing of all 7 ICDL Certification test modules. The new Level 1 certificate is awarded after successfully passing Modules 2, 3 and 7 of the ICDL Certification Tests. For detailed information for each Module, please log on to: <http://65.99.150.19/icdlus-lms-webclient/homepage/syllabus/syllabus.html>.
