

Information Systems Audit and Control Association

(ISACA®)

The Information Systems Audit and Control Association (ISACA®) administers their exams with a paper format. The ISACA web site is <http://www.isaca.org/>.

DANTES TCOs may administer the Information Systems Audit and Control Association (ISACA®) exams. The CISA designation focuses on the technical skills in the information assurance field and the CISM designation focuses on the management of information security. For DoD 8570.1 certification requirements with CISA or CISM please refer to: <http://www.isaca.org/dodinfo>.
