

The National Commission for the Certification of Crane Operators (NCCCO)

The National Commission for the Certification of Crane Operators (NCCCO) administers their exams with a paper format. The NCCCO website is <http://www.nccco.org/>.

DANTES TCOs may administer The National Commission for the Certification of Crane Operators (NCCCO) exams. The Certified Crane Operator (CCO) examinations are competency-based examinations for crane operators reflective of crane operator knowledge and expertise. The written examination program consists of a Core exam in crane operation as well as four Crane Specialty examinations.

Specialty Examinations:

- Lattice Boom Crawler Cranes
- Lattice Boom Truck Cranes
- Small Telescopic Boom Cranes (<17.5 tons)
- Large Telescopic Boom Cranes (>17.5 tons)
