

National Glass Association (NGA)

The National Glass Association (NGA) administers their exams with either paper format or computer-based delivery. The NGA web site is <http://www.glass.org>.

DANTES TCOs may administer the National Glass Association (NGA) exams in paper format only. LaserGrade also administers the NGA exam. Please refer to: <http://www.lasergrade.com/>. The NGA exams measure a candidate's technical knowledge and also enhance their professional skills for the auto glass and glass industries. The NGA certification exams are now available to veterans under the GI Bill's licensing and certification benefits. For additional information on the MGIB please refer to: <http://www.gibill.va.gov/>.
