

The National Ground Water Association (NGWA)

The National Ground Water Association (NGWA) administers their exam with either paper format or computer-based delivery. The NGWA website is <http://www.ngwa.org/>.

DANTES TCOs may administer the National Ground Water Association (NGWA) exam in paper format only. LaserGrade administers the NGWA exam. Please refer to: <http://www.lasergrade.com/>. NGWA offers two certification programs, one for contractors, one for scientists and engineers, and a professional recognition program for manufacturers and suppliers.
