

Software Engineering Institute (SEI)

The Software Engineering Institute (SEI) administers their exam with a paper format. The SEI website is <http://www.sei.cmu.edu/>.

DANTES TCO's may administer SEI exam in paper format. The CERT®-Certified Computer Security Incident Handler (CSIH) certification program has been created for incident handling professionals, computer security incident response team technical staff, system and network administrators with incident handling experience, incident handling trainers and educators, and individuals with some technical training who want to enter the incident handling field. SEI offers the following certification exam:

<u>Type of Certification</u>	<u>Exam Dates</u>	<u>Registration Date</u>	<u>Fees*</u>	<u>DEPH Chapter</u>
Certified Computer Security Incident Handler (CSIH)	Test on demand	No Specific	\$200 Exam \$150 re-certification	http://www.dantes.doded.mil/Dantes_web/library/docs/deph/part3/SEI.pdf

*\$50 non-refundable fee
