

# Careers After Military Service

## The Troops to Teachers Program

Troops to Teachers (TTT) is a military career transition program that helps eligible members of the armed forces begin new careers as K-12 public school teachers. Skills acquired in the military like leadership, initiative, discipline, integrity, and the ability to thrive in an ever-changing environment are a natural fit for the classroom.

## The Program Provides:

**Counseling and Referral Assistance** - guidance on state teacher certification and education requirements leading to employment opportunities

**Financial Assistance** - if eligible, a stipend of up to \$5,000 to obtain education, certification or licensing; and a bonus of up to \$10,000 to teach in qualifying schools (combination of stipend and bonus may not exceed \$10,000)

*Teaching is an option for every Service member looking for a rewarding career after the military.*
