

COLLEGE CREDIT BY EXAMINATION

PROGRAM OVERVIEW:

The Department of Defense (DoD) Voluntary Education (VoEd) Program, through the Defense Activity for Non-Traditional Education Support (DANTES), offers the Credit-by-Exam program to help service members earn college credit* for knowledge gained through previous experience, independent study, and/or training. Credit-by-exam tests, funded by DANTES, include:

- ✓ **CLEP:** The College Board's College Level Examination Program
- ✓ **DSST:** Owned and managed by Prometric; formerly known as DANTES Subject Standardized Tests

*College credit recommendations for these exams are made through the American Council on Education (ACE) and are subject to the acceptance of individual academic institutions.

STUDENT BENEFITS:

- 📖 Earn college credit* for prior knowledge
- 📖 Reduce course completion time; the average exam takes only a few hours vs. 8-15 weeks of course attendance
- 📖 Decrease time to complete a degree; reduces the number of courses taken to complete a degree
- 📖 Save money; DANTES funds one attempt per exam title for eligible examinees
- 📖 Avoid tuition assistance costs for courses replaced by credit earned through testing
- 📖 Exam scores are included on a service member's Joint Services Transcript (JST)
- 📖 Test prep and study materials are provided online, via mobile apps, and are available at installation libraries and education centers.

PROGRAM ELIGIBILITY:

All active duty, National Guard and Reserve component service members, in all military Services, including the U.S. Coast Guard, are eligible for this program.
