

JOINT SERVICES TRANSCRIPT

PROGRAM OVERVIEW:

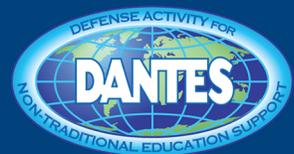

The Department of Defense (DoD) Voluntary Education (VoEd) Program, through the Defense Activity for Non-Traditional Education Support (DANTES), coordinates with the Naval Education and Training Command (NETC) to provide the Joint Services Transcript (JST) to service members and veterans. The transcript validates service member and veteran occupational experience and training with college credit recommendations determined by the American Council on Education (ACE). The JST helps service members and veterans complete post-secondary degree requirements. The JST can also serve as a guide for developing resumes and/or career portfolios.

BENEFITS TO SERVICE MEMBERS:

- 🔗 Get ACE credit recommendations: Member's receive credit for military courses and occupational experience
- 🔗 Transcripts delivered: Allows official transcripts to be ordered 24/7 to academic institutes
- 🔗 Save money: No cost, real time viewing of documents
- 🔗 Save time: 24/7 access for self-service delivery and download of unofficial transcript

PROGRAM ELIGIBILITY:

All service members and veterans in the Army, Navy, Marine Corps, and Coast Guard, including active duty, National Guard and Reserve components, are eligible to receive a no-cost JST. Government civilians in the Coast Guard are also eligible. Air Force personnel should contact Community College of the Air Force (CCAF) to receive transcripts (<https://www.airuniversity.af.edu/Barnes/CCAF/>). Air Force personnel who attended joint training offered by another service should email JST Operations (jst@doded.mil) to have a JST processed.
