

COLLEGE CREDIT BY EXAMINATION

PROGRAM OVERVIEW:

The Department of Defense (DoD) Voluntary Education (VoEd) Program, through the Defense Activity for Non-Traditional Education Support (DANTES), offers the Credit-by-Exam program to help service members earn college credit* for knowledge gained through previous experience, independent study, and/or training. Funded credit-by-exam tests, include:

- ✓ **CLEP:** The College Board's College Level Examination Program
- ✓ **DSST:** formerly DANTES Subject Standardized Tests, but now owned and managed by Prometric

*College credit recommendations for these exams are made through the American Council on Education (ACE) and are subject to the acceptance of individual academic institutions.

- 📖 Save money; DANTES funds one attempt per exam title for eligible examinees
- 📖 Avoid tuition assistance costs for courses replaced by credit earned through testing
