

# Partnership Memorandum of Understanding

## PROGRAM OVERVIEW:

The Under Secretary of Defense for Personnel and Readiness provides overall policy guidelines for voluntary education programs throughout the Department of Defense. These responsibilities are accomplished through the Deputy Assistant Secretary of Defense, Force Education and Training.

The DoD VoEd Partnership Memorandum of Understanding (MOU) between the USD (P&R) and educational institutions is managed by the Defense Activity for Non-Traditional Education Support (DANTES). DoD policy requires educational institutions that wish to participate in the DoD Tuition Assistance (TA) Program sign the MOU conveying the commitments and agreements between the educational institution and the DoD prior to an educational institution receiving funds from a service's TA program. The DoD MOU serves to protect service members and to help ensure that a quality education is provided through the participating institutions. (Change 3, DoDI 1322.25, dated July 07, 2014)
